Hy-Vee provides funding for Kearney Public Schools' Archway fieldtrip

Kearney, Neb. – The Archway announced today that Hy-Vee is providing funding for Kearney Public Schools' 4th graders to attend a fieldtrip to The Archway.

"Hy-Vee is proud to partner with The Archway and Kearney Public Schools to give the 4th graders of Kearney an opportunity to learn more about the educational benefits the Archway provides," said Tony Taylor, Kearney Hy-Vee Store Director.

Archway school fieldtrips can consist of a tour through The Archway exhibit, character reenactments as well as going through the authentic Pawnee earth lodge and one-room sod house. The fieldtrip is scheduled for March 18 and 19 with an estimated 450 students attending.

Archway Marketing Coordinator Jace Robinson said, "The Archway's main mission is to educate, and we always hope to provide a memorable, yet affordable experience to every school that visits The Archway. With Hy-Vee's generous donation, every 4th grader in the Kearney Public Schools system will have a chance for that experience."
