Archway Society reaches milestone in fundraising

Kearney, Neb. – The Archway Society announced it has successfully raised more than \$50,000 for its 2014 campaign on its way to a goal of \$80,000 by year’s end.

The Society’s mission is to create an organization of individuals, families and corporate sponsors that value the preservation of history, education and act as a community in support of building friendships and memories at The Archway.

The Society is also taking part in Give Where You Live through the Kearney Area Community Foundation on Dec. 4. Anyone interested in donating to The Archway Society for Give Where You Live, visit www.razoo.com and search ‘Archway Society.’
